Visitor Policy

Visitors are defined as guests who attend meetings with a view to considering membership and are welcome to attend club meetings and will be subject to the following entry conditions;

- First visit free
- Second visit, a door fee of $5 shall apply
- Third visit, a door fee of $5 shall apply

The PGoB Treasurer will monitor the number of times each person attends as a visitor and to remind them at their third visit that it is their final guest pass and ensure they have the information they need to apply for membership if they wish to.

Attending Events:

- If members are being charged an additional fee for an event (beyond the annual membership fee and door charge) the committee will set a visitors rate for that event which may be higher than the member fee.
- Visitors may attend the end of year Christmas Party and Awards night.

Exceptions:

Visitors may participate in the same way our members do except for the following:

- Visitors may not enter or participate in exhibitions, competitions or workshops and are not eligible for any awards.
- Visitors may not cast a vote on matters relating to PGoB club business.

Partners/Spouses and family members:

Partners/Spouses and family members of current financial PGoB members may at times be invited to join in a PGoB activity or event as our guest – however they are not considered visitors and are not constrained to three guests passes. Any charges for spouses and family members will always be provided prior to any event.
